

Arcade Fire - We Used To Wait

Tom: Eb

(com acordes na forma de C)
 Capotraste na 3ª casa
 Intro: Am

I used to write
 I used to write letters I used to sign my name
 I used to sleep at night
 Before the flashing lights settled deep in my brain

But by the time we met
 By the time we met the times had already changed

Am C F C

So I never wrote a letter
 I never took my true heart I never wrote it down
 So when the lights cut out
 I was lost standing in the wilderness downtown

Bridge:

Now our lives are changing fast
 Now our lives are changing fast
 Hope that something pure can last
 Hope that something pure can last

But it seems strange
 How we used to wait for letters to arrive
 But what's stranger still
 Is how something so small can keep you alive
 We used to wait
 We used to waste hours just walking around
 We used to wait
 All those wasted lives in the wilderness downtown

Chorus:

Ooh we used to wait
 Ooh we used to wait
 Ooh we used to wait (Sometimes it never came)
 Ooh we used to wait (Sometimes it never came)
 Ooh we used to wait (Still moving through the pain)
 Ooh

I'm gonna write
 A letter to my true love I'm gonna sign my name
 Like a patient on a table

I wanna walk again gonna move through the pain
 Bridge:
 Now our lives are changing fast
 Now our lives are changing fast
 Hope that something pure can last
 Hope that something pure can last

Chorus

we used to wait
 we used to wait
 we used to wait

Am C Am C F C D Am

We used to wait for it, We used to wait for it
 Now we're screaming, sing the chorus again
 We used to wait for it, We used to wait for it
 Now we're screaming, sing the chorus again
 I used to wait for it, I used to wait for it
 Hear my voice screaming, sing the chorus again

Wait for it
 Wait for it
 Wait for it
