

Arcade Fire - Well And The Lighthouse

Tom: Ab

(com acordes na forma de G)
Capostrate na 1ª casa

Here's the beginning riff. Where the notes split, play the bottom notes the first time and top notes the second time, repeat as needed.

All fingerings are relative to a capo on the first fret.

D Gbm G Bm A

Even though the band doesn't really play chords, I've added chords that fit because it's nice to have chords with the words. Here's one way you could play the chords, putting emphasis on the high or low end of the chord to go along with the high or low version of the riff.

Capo 1

D Gbm G Bm A

I'm serving time all for a crime I did
commit. You want the truth? You know I'd do it all
again. Left for dead. Heaven is only in my head
D D2 repeat until A-G A-G
(in my head)

I heard a voice calling from down inside a
well. (see that silver shine). She said to come claim
what was mine. So down I fell, down into the water

black my prison cell, only the moon was shining back
D D2
(shining back)

If I seem lost...well I weighed the cost
Em Gbm A Em D
and chose my crime. now, it's mine all mine

D Gbm G Bm A D Gbm G

I heard the voice calling from just outside the
well. She said you fool now that you know your end is
near. You always fall for what you desire, what you fear.
D D2
(what you fear)

resurrectin' livin' in a lighthouse
D Gbm G Bm A
if you leave them, ships are gonna wreck
D Gbm G Bm A
resurrectin' livin' in a lighthouse
D Gbm G D
the lions and the lambs aint sleepin yet

resurrectin' livin' in a lighthouse
D Gbm G Bm A
can you see the funny side? the ships are gonna wreck
D Gbm G Bm A
resurrectin' livin' in a lighthouse
D Gbm G D
the lions and the lambs aint sleepin yet

I like to add a little melody to the G chord, like this, just for fun

liv-in in a lighthouse
