

# The Arcadian Wild - Fall: War

tom:

Intro: **Bm Gbm Bm Gbm**

[Primeira Parte]

**Bm**  
I heard a second voice  
It hissed another choice and woke my lust

**Bm**  
The first step of my descent

I lost my innocence, misplaced my trust

**Bm**  
We were deceived

We sank our teeth into a lie

**Bm**  
How could we count the cost?

We sold ourselves and what we bought wasn't worth the price

[Refrão]

**Gbm**  
You gave me all your love

**B**  
I thought there was more

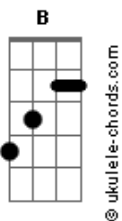

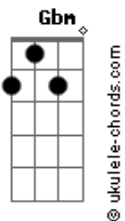

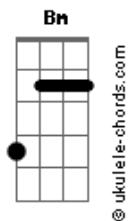

**Gbm**  
Chaos, she politely knocked

**B**  
So I opened the door

[Interlúdio] **Gbm B Gbm B**

[Segunda Parte]

## Acordes

I saw my naked form

In a moment shame was born; I hid my face

You came back down to earth

To find that I had cursed the world you made

[Refrão]

You gave me all your love, but I love making war

Chaos, she politely knocked, so I opened the door

I looked from left to right for somebody to blame

I believed a viper and I grew a pair of fangs

[Interlúdio] **Gbm B Gbm B**
