

# The Army, The Navy - Persimmon

tom:

[Primeira Parte]

Eb Said you don't like persimmon F  
 But the shade is quite nice Bb  
Bb7 Use your colorful language Gm  
 As a shy way to slight Eb  
 So I dress in this orange F  
 But it doesn't look right Bb  
Bb7 Now the lake's frozen over Gm

[Pré-Refrão]

D#7M  
 I've got more room to glide F Bb  
 And I slept in til eleven Gm7 D#7M  
 With the dog on my side F Bb Bb7 Gm7  
 And my foot dangling off the mattress

[Refrão]

D#7M  
 I woke up numb F  
 In more ways than one Bb Bb7  
 It's more than a sensation Gm7 Eb F  
 I see it in all faces now, now

[Segunda Parte]

D#7M F  
 It's enough, it's substantial Bb  
 I've survived on much less Bb7 Gm7  
 What's a flame to a candle D#7M  
 When you're melting regardl?ss? F  
 So fuck that bitch in your story Bb  
 And fuck me after I guess Bb7 Gm7  
 I took h?r arm in the lobby

[Pré-Refrão]

D#7M  
 And I made a new friend F Bb Bb7  
 Then talked shit til eleven Gm7 D#7M  
 It's a means to an end F  
 A road to a bend Bb Bb7 Gm7  
 A woefully natural progression

[Refrão]

D#7M  
 I woke up numb F  
 In more ways than one Bb Bb7  
 It's more than a sensation Gm7 Eb F  
 I see it in all faces now, now

[Ponte]

Eb F  
 Is it so wrong of me? Bb Bb7 Gm  
 Legend has it, I'm sentimental Eb F  
 I hold a strong belief in Bb Bb7 Gm  
 All things inconsequential Eb F  
 Just like a highway fire Bb Bb7 Gm  
 I'm taking it as a sign, as a sign Eb F  
 I gotta turn around, around

[Final]

Eb F  
 Said you don't like persimmon Bb  
 They take too long to grow Bb7 Gm7  
 If you practice your patience Eb  
 Maybe one day you'll know F  
 Why I dress in this orange Bb  
 Why I'm taking it slow Bb Bb7 Gm7  
 Now the lakes frozen over

## Acordes
