^G I've got so many people saying to just be tough and to just shut up
^D Just be my friend for once

^D I watch you on my silver screen, you're my imaginary friend
^G You make me go so wild
^D You want me dead or alive? You'll have me in your car
^G Until i'm shooting by
^D I know, you'll be my friend 'til the end unless you rock my screen
^{D D D} But i'll see you on my TV
^{D A}

See you on my TV
