

The Bakers - Hotel

tom:
B

E7M
Today the hours pass slowly while
E7M
Begin to suffer suddenly
Dbm
I, wish I could blow my own mind Dbm
E7M
Now the dog it's beggin for me
E7M Dbm
He wants to play, I wanna sleep now
Dbm
Next to you in a hotel room

B
And I been waiting for you to tell
B
That "I love you" in this hotel
B
I was searching into yourself
B
While you where looking to someone else

E7M
...Eyes
Dbm
I will declare a tie (tie, tie)
E7M
I rather not to die (die, die)
Dbm
The only thing we have is time

E7M
Now, I will get that, now
E7M
Look into your eyes, and I can't
Dbm
Believe that this is truth and I
Dbm
Can't understand yourself

E7M
I'm going to search for someone else

E7M
Thats all I can and I believe
Dbm7
That I will lost myself because
Dbm
I dont wanna sleep with another girl

E7M
...Eyes
Dbm
I will declare a tie (tie, tie)
E7M
I rather not to die (die, die)
Dbm
The only thing we have is time

E7M
Oooh, ooh
Dbm
My parachute is useless
Dbm
If I'm just gonna walk
E7M
I make things just waiting
E7M
For others to happen
Dbm
And everything goes wrong
Dbm
And everything goes wrong

E7M Dbm
I'm right here waiting for your eyes in this hotel
E7M Dbm
I'm right here waiting for your eyes in this hotel
E7M Dbm
I'm right here waiting for your eyes in this hotel
E7M Dbm
I'm right here waiting for your eyes in this hotel
