

The Band Perry - Quittin You

```
Intro: 2x: C G C G D
                          C G (x2)
I don't know what I was thinkin'
You were no good but you could do some fancy talkin'
I'm not your Trixie Delight
G
D
Or a gumball machine
You can keep your quarter man \frac{D}{D}
'Cause you won't get nothing sweet out of me
I'm quittin' quittin' quittin'
I'm quittin' you
Like a girl wants her chocolate, yeah
I know that I'll miss you
But I'm quittin' quittin' quittin'
I'm not kiddin' I'm kickin' you
G C
'Cause you're my bad habit and
I'm quittin' you
(CGCGCGD)
I don't know what the heck you were thinkin'
C (hold)
It's gonna gonna take a better man,
I'm bettin' to win my hand
I\,\hbox{'m not gonna play your game}
```

Acordes

```
I don't like the high stakes
I'd rather sit alone at home
Playin' one more round of Old Maid
I'm quittin' quittin' quittin'
I'm quittin' you
Like a gambler leaving Vegas boy
I know that I'll miss you
But I'm quittin' quittin' quittin'
I'm not kiddin' I'm kickin' you
G C
'Cause you're my bad habit and
I'm quittin' you
Cold turkey
Giving you the cold shoulder
Off like a band-aid
One quick sting
Then it's over
I'm quittin' quittin' quittin'
I'm not kiddin' I'm kickin' you
G C
'Cause you're my bad habit
And the good Lord won't have it G
You're my bad habit and I'm quittin' you
