

# The Band Perry - Walk Me Down The Middle

Tom: G

I was meant to be by your side  
 And I have waited here a long time  
 For you to turn around and notice me  
 But now you're here holding hands with me  
 Walk me down the middle of the county fair  
 Walk me down the middle like you don't care  
 Walk me by the ferris wheel  
 And make sure she sees  
 Let the whole world know you belong to me  
 I heard about your bitter end  
 About how she stole your heart and put it back again  
 Well I may not be the prettiest girl around  
 But I sure am a sight for sore, sore eyes  
 Walk me down the middle of Main Street

Walk me down where the whole town will be  
 I don't need no parade  
 But make sure that she sees  
 Let the whole world know you belong to me  
 I'd walk through fire for you  
 Walk through barbed wire for you  
 I'd walk for miles, it's true  
 Just to be with you  
 If you walk me down the middle of my momma's church  
 Walk me down that aisle in your finest shirt  
 Let the whole world know you will  
 Walk me down the middle of the county fair  
 Walk me down the middle like you don't care  
 Walk me by the ferris wheel  
 And make sure they see  
 Let the whole world know you belong to me
