

# The Bangles - Be With You

Tom: D

(intro) Em C D

Out my window the rain starts to fall  
 And the wind blows through an empty hall  
 In the mirror, oo reflections of you  
 In the distance i hear a sound  
 Is that you coming around?

(chorus)  
 (what you gonna do)  
 oh what you gonna do  
 (i think i should)  
 i think i should be with you  
 (a love thats over due)  
 a love thats over due

Ohh i think i should be with you

Thought i saw you in a strangers face  
 Should i call you, or should i walk away  
 Round the corner is around the world  
 Is that you looking at me  
 Or am i living a dream?

(chorus)

And when i'm lost in a dream you are al i can see  
 All alone in the night i'm waiting for you  
 Every moment i'd die, just to look in your eyes  
 The dream is alive i'm waiting  
 Oh my, how i'd try to make you see that i should be with you
