

The Bangles - Be With You

Tom: D

(intro) Em C D

Out my window the rain starts to fall
 And the wind blows through an empty hall
 In the mirror, oo reflections of you
 In the distance i hear a sound
 Is that you coming around?

(chorus)
 (what you gonna do)
 oh what you gonna do
 (i think i should)
 i think i should be with you
 (a love thats over due)
 a love thats over due

Ohh i think i should be with you

Thought i saw you in a strangers face
 Should i call you, or should i walk away
 Round the corner is around the world
 Is that you looking at me
 Or am i living a dream?

(chorus)

And when i'm lost in a dream you are al i can see
 All alone in the night i'm waiting for you
 Every moment i'd die, just to look in your eyes
 The dream is alive i'm waiting
 Oh my, how i'd try to make you see that i should be with you
