Strawberry Fields Forever

There are two other versions of this in the archives, but none are in the right key. I thought a great song such as this deserved a proper tab in the archives.

Because the recording of this song involved a lot of playing around with tape speeds, you need to tune down your guitar by a whole step.

So instead of tuning your bottom string to E, tune to D, then tune the other strings to this by playing at the 5th/4th fret (you know the routine ...)

You should end up tuned to DGCFA D.

This means that the song is based on the **C** chord for the guitar, but it ends up being in the key of Bb.

I've tried to give a guitar part that does justice to all the things that are going on in the song. For the first bit it's fairly straight forward since the song has a guitar playing herE|- but later on I've tried to tab out a guitar version of what the cellos and trumpets are doing.

Of course you can't play all of the song on just one guitar - but you can do a pretty good job. I've written the chords above each line of tab if you just want to strum along, and the words are underneath the line of tab.

Intro: -----

This is played on the mellotron, but you can do it fairly easily on guitar.

Sargent Pepper's Lonely Hearts Club Band

It was twenty years ago today,
 Sgt. Pepper told the band to play
 They've been going in and out of style
 But they're guaranteed to raise a smile.
 So may I introduce to you
 The act you've known for all these years,
 Sgt. Pepper's Lonely Hearts Club Band.
 We're Sgt. Pepper's Lonely Hearts Club Band,
 We hope you will enjoy the show,
 Sgt. Pepper's Lonely Hearts Club Band,
 Sit back and let the evening go.
 Sgt. Pepper's lonely, Sgt. Pepper's lonely,
 Sgt. Pepper's Lonely Hearts Club Band.
 It's wonderful to be here,
 It's certainly a thrill.
 You're such a lovely audience,
 We'd like to take you home with us,
 We'd love to take you home.
 I don't really want to stop the show,
 But I thought that you might like to know,
 That the singer's going to sing a song,
 And he wants you all to sing along.
 So let me introduce to you
 The one and only Billy Shears
 And Sgt. Pepper's Lonely Hearts Club Band.
