

# The Beatles - Across The Universe

Tom: D

(intro)

Words are flowing out like endless rain into a paper cup  
 They slither while they pass they slip away across the Universe.

Pools of sorrow, waves of joy are drifting through my opened mind  
 Possessing and caressing me.

Jai Guru Deva Om  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world

Images of broken light which dance before me like a million eyes  
 They call me on and on across the Universe.

Thoughts meander like a restless wind inside a letterbox  
 They tumble blindly as they make their way across the

Universe.

Jai Guru Deva Om  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world

Sounds of laughter, shades of earth are ringing through my opened ears  
 Inciting and inviting me.  
 Limitless, undying love which shines around me like a million suns  
 And calls me on and on across the Universe.

Jai Guru Deva Om  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world  
 Nothing's gonna change my world

Jai Guru Deva.

(repete)
