

The Beatles - Besame Mucho

Tom: C

(Cha cha boom)

Besame, besame mucho

Each time I cling to your kiss I hear music devine

So besame, besame mucho

I'll love you forever say that you'll always be mine (cha cha boom)

Tears form if you should leave me
Then each little dream will take wings and my life will be through

So besame, besame mucho
You'll love me forever make all my dreams come true

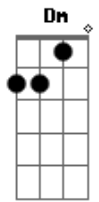

Ooh this joyous something new my arms there holding you

Never knew this thrill before

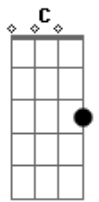

Who ever thought I'd be holding you close to me

Whispering it's you I adore
