

# The Beatles - Blue Jay Way

Tom: C

George Harrison

Well it only goes to show and I told them where to go,  
 Ask a policeman on the street there's so many there to meet  
 Please don't be long, please don't you be very long,  
 Please don't be long or I may be a sleep  
 Now it's past my bed I know and I'd really like to go,  
 Soon will be the break of day sitting here in Blue Jay Way  
 Please don't be long, please don't you be very long,  
 Please don't be long or I may be a sleep (repeat)
