

# The Beatles - Don't Bother Me

Tom: G

Intro: : D Em

Since she's been gone, I want no one, to talk to me  
 It's not the same, but I'm to blame, it's plain to see  
 So go away, leave me alone, don't bother me

I can't believe, that she would leave me, on my own  
 It's just not right, when every night, I'm all alone  
 I've got no time, for you right now, don't bother me

I know I'll never be the same  
 If I don't get her back again  
 Because I know she'll always be

The only girl for me

But till she's here, please don't come near, just stay away  
 I'll let you know, if she's come home, until that day  
 Don't come around, leave me alone, don't bother me

Solo:

I've got no time, for you right now, don't bother me

I know I'll never be the same  
 If I don't get her back again  
 Because I know she'll always be  
 The only girl for me

But till she's here, please don't come near, just stay away  
 I'll let you know, if she's come home, until that day  
 Don't come around, leave me alone, don't bother me
