

# The Beatles - Don't Let Me Down

Tom: E

(intro)

(refrão)

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

Nobody ever loved me like she does, <sup>Gbm</sup>

Oh she does, yes she does <sup>E</sup>

And if somebody loved me like she do me <sup>Gbm</sup>

Oh she do me, yes she does <sup>E</sup>

(refrão)

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

I'm in love for the first time.

Don't you know it's gonna last. <sup>B7</sup>

It's a love that lasts forever.

It's a love that had no past <sup>E</sup>

(refrão)

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

Don't let me <sup>Gbm</sup> down, don't let me <sup>E</sup> down

And from the first time that she really done me <sup>Gbm</sup>

Oh she done me, she done me good <sup>E</sup>

I guess nobody ever really done me <sup>Gbm</sup>

Oh she done me, she done me good <sup>E</sup>
