

The Beatles - Fool on the hill

tom:

G

[Primeira Parte]

Day after day, alone on a hill
 The man with the foolish grin is keeping perfectly still
 But nobody wants to know him, they can see that he's just a fool
 and he never gives an answer

[Refrão]

But the fool on the hill sees the sun going down
 and the eyes in his head see the world spinning round

[Segunda Parte]

Well on the way, his head in a cloud
 The man of a thousand voices talking perfectly loud
 But nobody ever hears him, or the sound he appears to make
 And he never seems to notice

[Refrão]

But the fool on the hill sees the sun going down
 and the eyes in his head see the world spinning round

and the eyes in his head see the world spinning round

[Solo] D G D G D Em

[Terceira Parte]

And nobody seems to like him, they can tell what he wants to do
 and he never shows his feelings

[Refrão]

But the fool on the hill sees the sun going down
 and the eyes in his head see the world spinning round
 oh__ oh__ round, round, round, round, round

[Quarta Parte]

And he never listens to them, he knows that they're the fool
 they don't like him

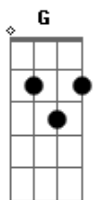

[Refrão]

But the fool on the hill sees the sun going down
 and the eyes in his head see the world spinning round

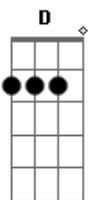

[Final]

oh_____ round, round, round, round and...
