

The Beatles - I Saw Her Standing There

Tom: E

(intro) E7

Well she was just seventeen, and you know what I mean,
 And the way she looked was way beyond compare,

So how could I dance with another
 when I saw her standing there.

Well she looked at me, and I, I could see,
 That before too long I'd fall in love with her.

She wouldn't dance with another
 When I saw her standing there.

Well my heart went boom when I crossed that room,

And I held her hand in mine...

Oh we danced through the night

And we held each other tight,
 And before too long I fell in love with her.

Now I'll never dance with another
 When I saw her standing there.

(solo)

Well my heart went boom when I crossed that room, (REPETE IGUAL A PRIMEIRA PARTE)

And I held her hand in mine...

Oh we danced through the night
 And we held each other tight,

And before too long I fell in love with her.
 Now I'll never dance with another

When I saw her standing there. (REPETE INTRO)

Since I saw her standing there. (REPETE INTRO)
 Yeah well Since I saw her standing there.
