

# The Beatles - I Saw Her Standing There

tom:

Intro: E7 E

Well she was just seventeen, if you know what I mean  
 And the way she looked was way beyond compare  
 So how could I dance with another, oh.. when I saw her standing there

Well she looked at me, and I, I could see  
 That before too long I'd fall in love with her  
 She wouldn't dance with another, oh... when I saw her standing there

Well my heart went boom, when I crossed that room  
 And I held her hand in mineeeeeee

Well we danced through the night and we held each other tight  
 And before too long I fell in love with her  
 Now I'll never dance with another, oh... since I saw her standing there

[Solo]  
 Well my heart went boom when I crossed that room  
 And I held her hand in mine  
 Well we danced through the night and we held each other tight  
 And before too long I fell in love with her  
 Now I'll never dance with another, oh

Since I saw her standing there  
 Since I saw her standing there  
 Since I saw her standing there
