

# The Beatles - Not Guilty

Tom: C

Not guilty  
 For getting in your way  
 While you're trying to steal the day

Not guilty  
 And I'm not here for the rest  
 I'm not trying to steal your vest.

I am not trying to be smart  
 I only want what I can get  
 I'm really sorry for your ageing head  
 But like you heard me said  
 Not guilty.

No use handing me a writ  
 While I'm trying to do my bit.

I don't expect to take your heart  
 I only want what I can get

I'm really sorry that you're underfed  
 But like you heard me said  
 Not guilty.

Instrumental:

(Play Verse 2 Chords)

Not guilty  
 For looking like a freak  
 Making friends with every Sikh  
 Not guilty

For leading you astray  
 On the road to Mandalay.

I won't upset the apple cart  
 I only want what I can get  
 N.C  
 I'm really sorry that you've been misled  
 But like you heard me said  
 Not guilty.

ENDING (repeat until fade):
