

# The Beatles - So Happy Together

Tom: A

Intro: Gbm

Imagine me and you, I do

I think about you day and night  
It's only right

To think about the girl you love  
And hold her tight

So happy together

If I should call you up  
Invest a dime

And you say you belong to me  
And ease my mind

Imagine how the world could be  
So very fine

So happy together

Refrão

I can't see me loving nobody but you

For all my life

When you're with me  
Baby the skies will be blue

For all my life

Me and you  
And you and me

No matter how they tossed the dice  
It had to be

The only one for me is you  
And you for me

( Db Gbm )  
So happy together  
So happy together  
How is the weather  
So happy together  
We're happy together  
So happy together...
