

# The Beatles - So Happy Together

Tom: **A**

Intro: **Gbm**

Imagine me and you, I do

I think about you day and night  
It's only right

To think about the girl you love  
And hold her tight

So happy together

If I should call you up  
Invest a dime

And you say you belong to me  
And ease my mind

Imagine how the world could be  
So very fine

So happy together

Refrão

**Gb** **Dbm** **Gb**  
I can't see me loving nobody but you

For all my life

When you're with me

Baby the skies will be blue

For all my life

**Gbm**  
Me and you  
And you and me

No matter how they tossed the dice  
It had to be

The only one for me is you  
And you for me

(**Db Gbm**)  
So happy together  
So happy together  
How is the weather  
So happy together  
We're happy together  
So happy together...
