

The Beatles - So Happy Together

Tom: A

Intro: Gbm

Imagine me and you, I do

I think about you day and night
It's only right

To think about the girl you love
And hold her tight

So happy together

If I should call you up
Invest a dime

And you say you belong to me
And ease my mind

Imagine how the world could be
So very fine

So happy together

Refrão

I can't see me loving nobody but you

For all my life

When you're with me
Baby the skies will be blue

For all my life

Me and you
And you and me

No matter how they tossed the dice
It had to be

The only one for me is you
And you for me

So happy together
So happy together
How is the weather
So happy together
We're happy together
So happy together...
