verse:

Lyrics:

Say the word and you'll be free say the word and be like me
Say the word I'm thinking of have you heard the word is love

It's so fine
It's sun shine
It's the word love

In the beginning I misunderstood but now I got it the word is good

Spread the word and you'll be free spread the word and be like me

Spread the word I'm thinking of have you heard the word is love

(chorus)

Everywhere I go I hear it said in the good and bad books that I have read

Say the word and you'll be free say the word and be like me
Say the word I'm thinking of have you heard the word is love

(chorus)

Now that I know what I feel must be right I'm here to show everybody the light

Give the word a chance to say that the word is just the way
It's the word I'm thinking of and the only word is love

(chorus)

Say the word love

Say the word love

Say the word love

Say the word love

Say the word love

(fade out)
