

# The Beautiful Girls - I Need To Give This Broken Heart Away

Tom: G

G D  
All my life I have learned  
G D  
To say goodbye

G  
But it still hurts  
D Em Riff 1  
Are we defined by what we hold?

G D  
But armor breaks

G  
And fire burns  
D G  
On the way to lessons learned  
D Em Riff 1  
Thoughts escape just like it burned...

G D  
Off into the moonlight  
Am Em Riff 1 G  
I need to give this broken heart away  
D Em Riff 1  
So I close my eyes..

G D

And wish you the goodbye,  
Am Em Riff 1  
That I had hoped I'd never have to say  
G Em Riff 1  
I'll miss your smile

G D Em Riff 1  
Oh, this may take more then a little while

And you know I'm no good  
At chasing things that i should  
Another rain though I broke.

I never told you how much  
You gave to him, but  
I know you know  
And thats enough

Off into the moonlight  
I need to give this broken heart away  
So I close my eyes

And wish you the goodbye,  
That I had hoped I'd never have to say  
I'll miss your smile

Oh, this may take more then a little while.
