

# The Beautiful Girls - My Mind Is An Echo Chamber

Tom: Gb  
 Intro: Ebm B Gb Db  
 Ebm Gb Db

Ebm  
 See, I feel so lost without you  
 Gb Db  
 Without you near to me  
 Ebm  
 See, I feel so cold without you  
 Gb Db  
 Without you here to see  
 Ebm  
 This world keeps spinning 'round, it's  
 Gb Db  
 It's orbit here in space  
 Ebm  
 And each time I look around, I  
 Gb Db  
 I swear I see your face  
 Ebm  
 I see your face...  
 Gb Db  
 I swear I see your face, there

Ebm  
 And I know at times I've tested  
 Gb Db  
 Your patience, hurt your soul  
 Ebm  
 But never have I suggested  
 Gb Db  
 We ever let this go

Ebm  
 Now I miss you more than you could  
 Gb Db  
 Could ever realize  
 Ebm  
 And if I could take it back, I  
 Gb Db  
 I promise you I'd try  
 I'd...

B  
 Tell you we could make it matter  
 Db  
 Tell you we could make it good  
 B  
 I've got a heart that's made to shatter  
 Db  
 Maybe that's the way it should  
 B  
 And I know this world gets crazy  
 Db  
 Well I lost all self-control  
 B  
 Where are you to come to save me?  
 Db  
 When I need you near to hold?

( Dm Gb Db )

Oh, my mind is an echo chamber...  
 Oh, my mind is an echo...

## Acordes
