

# The Beautiful Girls - My Mind Is An Echo Chamber

Tom: Gb  
Intro: Ebm B Gb Db  
Eb Gb Db

See, I feel so lost without you  
Without you near to me

See, I feel so cold without you  
Without you here to see

This world keeps spinning 'round, it's  
It's orbit here in space

And each time I look around, I  
I swear I see your face

I see your face...  
I swear I see your face, there

And I know at times I've tested  
Your patience, hurt your soul

But never have I suggested  
We ever let this go

Now I miss you more than you could  
Could ever realize

And if I could take it back, I  
I promise you I'd try

I'd...

Tell you we could make it matter  
Tell you we could make it good

I've got a heart that's made to shatter  
Maybe that's the way it should

And I know this world gets crazy  
Well I lost all self-control

Where are you to come to save me?  
When I need you near to hold?

( Dm Gb Db )

Oh, my mind is an echo chamber...  
Oh, my mind is an echo...

## Acordes

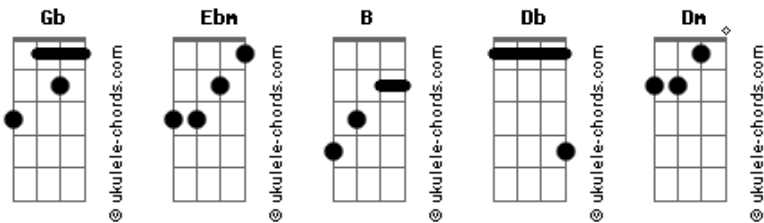

Diagram illustrating the chord shapes for Gb, Ebm, B, Db, and Dm on a ukulele. Each diagram shows the fretboard with dots indicating finger positions and a copyright notice: © ukulele-chords.com
