

# The Beautiful Girls - On a Clear Day

Tom: F

G

On a clear day i can see far ahead in front of me,  
 the sky above imagines a god, but on another day i'm...  
 and when i fall the hurt won't show up on me i only hope.  
 And if i follow you along well then i'll rise up.  
 And when the burning sun it falls in my eyes,

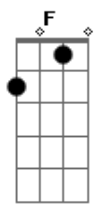

is when i come upon another sunrise.

F C Dm Bb  
 Well i will walk alone 'cause i'm not scared to die,  
 F C Dm Bb  
 on a clearer day in the sunshine.

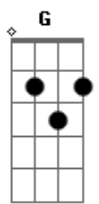

And when i hear the angels sing down from up above,  
 F C Dm Bb  
 well i won't fear a thing or hear the things i've done.  
 F C Dm Bb  
 Only know that you're in a place inside my heart,  
 F C Dm Bb  
 and no matter where i go, we will never part.

CHORUS
