

The Black Keys - Desprate Man

Tom: **G**

one the parts use a metal slide.
 This isnt the whole song, i'm just adding more than i've seen on other versions.

key:
 s \ __ slide
 b __ bend
 __ metal slide
 p __ pull off
 t __ play w/ thumb

G **G** use slide **G** might be a G7, try it!
 t t ~~~~~

then while he sings he just plays that 1st lick (hammered on):

repeat till he stops singing then do the second part of the intro:

then:

~you could play 11 on the **B** string instead of the 6, but Dan doesn't.

I just came back in to edit this after watching the DVD.
 -the begining he plays the bass sounding **G** with his thumb and its more like:
 t

PS. someone please post a tab for "if you see me coming"
