

The Black Keys - Desprate Man

Tom: G

one the parts use a metal slide.
 This isnt the whole song, i'm just adding more than i've seen on other versions.

key:
 s__slide
 b__bend
 __metal slide
 p__pull off
 t__play w/ thumb

G G use slide G might be a G7, try it!
 t t ~~~~~

then while he sings he just plays that 1st lick (hammered on):

repeat till he stops singing then do the second part of the intro:

then:

~you could play 11 on the B string instead of the 6, but Dan doesn't.

I just came back in to edit this after watching the DVD.
 -the begining he plays the bass sounding G with his thumb and its more like:
 t

PS. someone please post a tab for "if you see me coming"
