

# The Black Keys - Everlasting Light

Tom: E

[Verse]

Let me be your everlasting light  
 The sun when there is none  
 I'm a shepherd for you  
 And I'll guide you through  
 Let me be your everlasting light  
 Let me be your everlasting light  
 I'll hold and never scold  
 In me you can confide  
 When no one's by your side  
 Let me be your everlasting light

[Chorus]

Oh baby, can't you see  
 I'm shining just for you  
 Loneliness is over  
 The dark days are through  
 They're through

[Verse]

Let me be your everlasting light  
 A train going away from pain  
 Love is the coal  
 That makes this train roll  
 Let me be your everlasting light

[Outro]
