

# The Black Keys - Sinister Kid

Tom: G

Intro: (Em Bm Am in rhythm with the bass)

Em (palm mute) Bm (Bend down entire chord)  
 Well, the crooks are out  
 And the streets are gray  
 You know I wouldn't have it  
 Any other way, yeah

Em (palm mute) Bm (Bend down entire chord)  
 Your mother's words  
 They're, they're ringing still  
 But your mother  
 Don't pay our bills, yeah

Em Bm Am Em  
 A sinister kid, is a kid who  
 Em Bm Am Em  
 Runs to meet his maker  
 Em Bm Am Em  
 A drop dead sprint from the day he's born  
 Em Bm Am Em

Straight into his makers arms

Em Bm Am Em  
 And that's me, that's me  
 Em Bm Am Em  
 The boy with the broken halo  
 Em Bm Am Em  
 That's me, that's me  
 Em Bm Am Em  
 The devil won't let me be

Em (palm mute) Bm (Bend down entire chord)  
 I got a tortured mind  
 And my blade is sharp  
 A bad combination  
 In the dark

Em (palm mute) Bm (Bend down entire chord)  
 If I kill a man  
 In the first degree  
 Baby, would you  
 Would you flee with me?
