

The Black Keys - Sinister Kid

Tom: G

Intro: (Em Bm Am in rhythm with the bass)

Em (palm mute) Bm (Bend down entire chord)
 Well, the crooks are out
 And the streets are gray
 You know I wouldn't have it
 Any other way, yeah

Em (palm mute) Bm (Bend down entire chord)
 Your mother's words
 They're, they're ringing still
 But your mother
 Don't pay our bills, yeah

Em Bm Am Em
 A sinister kid, is a kid who
 Em Bm Am Em
 Runs to meet his maker
 Em Bm Am Em
 A drop dead sprint from the day he's born
 Em Bm Am Em

Straight into his makers arms

Em Bm Am Em
 And that's me, that's me
 Em Bm Am Em
 The boy with the broken halo
 Em Bm Am Em
 That's me, that's me
 Em Bm Am Em
 The devil won't let me be

Em (palm mute) Bm (Bend down entire chord)
 I got a tortured mind
 And my blade is sharp
 A bad combination
 In the dark

Em (palm mute) Bm (Bend down entire chord)
 If I kill a man
 In the first degree
 Baby, would you
 Would you flee with me?
