

# The Black Keys - Sinister Kid

Tom: G

Intro: (Em Bm Am in rhythm with the bass)

Em (palm mute) Bm (Bend down entire chord)

Well, the crooks are out  
And the streets are gray  
You know I wouldn't have it  
Any other way, yeah

Em (palm mute) Bm (Bend down entire chord)

Your mother's words  
They're, they're ringing still  
But your mother  
Don't pay our bills, yeah

Em Bm Am Em  
A sinister kid, is a kid who

Em Bm Am Em

Runs to meet his maker

Em Bm Am Em

A drop dead sprint from the day he's born

Em Bm Am Em

Straight into his makers arms

Em Bm Am Em

And that's me, that's me

Em Bm Am Em

The boy with the broken halo

Em Bm Am Em

That's me, that's me

Em Bm Am Em

The devil won't let me be

Em (palm mute) Bm (Bend down entire chord)

I got a tortured mind  
And my blade is sharp  
A bad combination  
In the dark

Em (palm mute) Bm (Bend down entire chord)

If I kill a man  
In the first degree  
Baby, would you  
Would you flee with me?
