

The Black Mamba - I'm Not Too Late

tom:
E
As I was sitting in the sidewalk
Something special came around
E7M A
A soft perfume, the smoothness of a breeze
Well how could I resist that joyful and guilty sound?
Gbm7 Dbm7
Hey, ya, where're you going to?
Gbm7 Dbm7
Hey, ya, I think I know you
(C D)
E C
Tell me I am not too late
I'm right on my way
I'm still holding your call
E C
Maybe I'm crossing the line now
But I feel just fine
I'll kiss you at dawn
E7M C
I feel this more than yesterday (oh, oh, oh)
B A
Well yesterday I was blind
E7M C
Well it takes much more than yesterday's rain
B
More than I'd ever dreamed of, honey
A
It's burnin' my mind

E7M C
So tell me, baby, where's your flaming soul gone to
It's a dangerous game we're playing baby
A
And we knew from the start
Gbm7 Dbm7
Hey, ya, hang on the line
Gbm7 Dbm7
I wanna write, but it's not the time
Gbm7 Dbm7
I'm gonna say baby but it won't take no words
(C D)
E C
Tell me I am not too late
I'm right on my way
I'm still holding your call
E C
Maybe I'm crossing the line yeah
But I feel just fine
I'll kiss you at dawn. I will
E C
Won't you tell me I am not too late
I'm right on my way
I'm still holding your call
E C
