There is nothing more what to fear

Am Em
It's over

I'm safe right here

Am Em
Under cover

Tell me how to occupy my brain

Am Em
In this sweet loneliness

Tell how to satisfy my pains

D Em
So Speechless

My body complains no breaking it up

For a cigarette tonight

My lips complain no breaking it up

For the sweet taste of wine

My heart complains no breaking it up

For a friend of mine

Myself complains no breaking it up

For peace and love inside

Most of them don't know how insane they can be

They are all alike but the mirror shows something that they disagree

They are all alike, they are all alike, all the same

All of them, all of them got insane

We are all insane, we are all insane, we are all insane

We are all insane, we are all insane, all insane

Just tonight to change my life

Nothing will be like was before

The bridge is gone and I'm alone

Without a connection to another world

Day-to-day every day

It's all the same of yesterday

All is the same

But only the numbers change

Release me, relieve me, believe me

Let me walk by myself

Release me, relieve me, just leave me

Or try to feel what I have felt

Affliction

 When the light turns off

 My mask falls down

 And I show just to myself

 What there's under my ground

 Look at my such lovely face

 Let me run from this such lifeless place

Let me lose to learn how to win
 But don't let me drown to learn how to swim
 Let me scream to know how to talk
 Let me fall down to know how to walk
 Don't want me to run right now
