Riff Verso:

Base Ultimo Verso (06:28):

Verso:

Sometimes we see our dreams undone  
 When our choices seem to be all wrong  
 When our wishes seem to be all gone  
 When we think we are alone

The spring of dreams is drying and I am old and weak  
 With no one else to love and no reason to live  
 Nowaday all my dreams became dust and my life is almost gone  
 And I am looking for reasons to justify things I've never  
 done  
 My heart is whole lotta anger and I hide my face to cry  
 Cause I have nothing more what to give  
 And death seems a matter of time

Verso 2ª parte (02:01):

Riff (07:21):

When we think we don't belong to any place in the world  
 We try to find someone to blame for mistakes  
 Which we had made
