

# The Brothers Bright - Blood On My Name

Tom: E

**Dbm**  
 There's a reckoning a-coming  
 And it burns beyond the grave  
 Lead inside my belly  
 Cause my soul has lost its way

**Gbm**  
 Oh Lazarus

**Dbm**  
 How did your debts get paid?

**Gbm**  
 Oh Lazarus

**Ab**  
 Were you so afraid?

**Dbm**  
 When the fires, when the fires have surrounded you  
 With the hounds of hell coming after you

**Gbm** **Ab**  
 I've got blood, I've got blood on my name

**Dbm**  
 When the fires, when the fires are consuming you  
 And your sacred stars won't be guiding you

**Gbm** **Ab**  
 I've got blood, I've got blood

**Dbm**  
 Blood on my name

**Dbm**  
 Not a spell gonna be broken with a potion or a priest  
 When you're cursed you're always hoping  
 That a prophet would be grieved

**Gbm**  
 Oh Lazarus

**Dbm**  
 How did your debts get paid?

**Gbm**  
 Oh Lazarus

**Ab**  
 Were you so afraid?

**Dbm**  
 Can't you see I'm sorry  
 I will make it worth your while  
 Made of dead man's money  
 You can see it in my smile

**Gbm**  
 Oh Lazarus

**Dbm**  
 How did your debts get paid?

**Gbm**  
 Oh Lazarus

**Ab** **Ab7**  
 Were you so afraid?

**Dbm**  
 When the fires, when the fires have surrounded you  
 With the whole wide world coming after you

**Gbm** **Ab**  
 I've got blood, I've got blood on my name

**Dbm**  
 When the fires, when the fires are consuming you  
 And your sacred stars won't be guiding you

**Gbm** **Ab**  
 I've got blood, I've got blood

**Dbm**  
 Blood on my name

**A** **Ab** **Dbm**  
 It wont be long

**A** **Ab**  
 Till I'm dead and gone

**A** **Ab**  
 It wont be long

**A** **Dbm**  
 Till I'm dead and gone

**Dbm**  
 Watch the fires rise under my skin  
 Down to the bone  
 Scorching my soul

**Ab**  
 Nowhere to run

**Dbm**  
 When the fires, when the fires have surrounded you  
 With the hounds of hell coming after you

**Gbm** **Ab**  
 I've got blood, I've got blood on my name

**Dbm**  
 When the fires, when the fires are consuming you  
 And your sacred stars won't be guiding you

**Gbm** **Ab**  
 I've got blood, I've got blood

**Dbm**  
 Blood on my name

**Dbm**  
 When the fires, when the fires have surrounded you  
 And the whole wide world coming after you

**Gbm** **Ab**  
 I've got blood, I've got blood

**Dbm**  
 Blood on my name
