

# The Cab - Stand Up

tom:

Intro: Dm F C G  
 Dm F C G  
 Dm F C G  
 Dm F C G

[Primeira parte]

They had tongues like guns  
 I had nowhere to run  
 Yeah, this world can get so lonely  
 Yeah, the paper and pen  
 Were my two best friends  
 'cause the sad songs understood me  
 The irony and all my dreams were  
 Keeping me from sleeping  
 'cause there's something so fun being  
 Young and being dumb  
 'cause you're not afraid of feeling

[Pré-refrão]

Yeah, all of my demons are kicking  
 And screaming but i'll never  
 Leave them behind  
 Yeah, maybe i'm crazy but don't  
 Try to save me 'cause  
 I've never felt so alive

[Refrão]

Yeah, when they knock you  
 Down, down, down  
 Kid, you gotta stand up (stand up)  
 Stand up (stand up)  
 Yeah, when they gotcha down, down, down  
 Gotta make your own luck (own luck)  
 Own luck (own luck)  
 So, tell me i'm outta my mind  
 Give me a sign  
 Take it one step at a time  
 I know it's gonna be fine  
 Open your eyes shut up and give it a try  
 Yeah, when they knock you down, down, down  
 Kid, you gotta stand up (stand up), stand up (stand up)  
 Everybody go  
 Oh

C G  
 Oh  
 Dm F  
 Oh  
 C G  
 Oh

[Segunda parte]

They had eyes like knives  
 I had nowhere to hide  
 Yeah, this world can cut you open  
 But all the scars they prove  
 That i fought my way through  
 So, i always keep 'em showing  
 'cause sanity is suicide  
 And crazy are the legends  
 But, yeah, i'd rather have fun  
 Being young and being dumb  
 Than be saved a spot in heaven

[Pré-refrão]

Yeah, all of my demons are kicking and  
 Screaming but i'll never  
 Leave them behind  
 Yeah, maybe i'm crazy but don't try to save me  
 Cause i've never  
 Felt so alive
