She stole my heart

Faster than a heat seeking missile on a mission

Faster than a bass to the hook when daddy fishing

Faster than a walnut rolls off a hen house

Faster than a whiskey shot goes down down south

Ooo, I saw white lightning

Ooo, I saw white lightning

Faster than McQueen running them red lights

Faster than the duke boys jumping that hillside

Faster than Elvis could shake or rattle roll

Faster than a skirt flying up on Monroe, I said

Ooo, I saw white lightning, I said

Ooo, I saw white lightning

White lightning, I saw white lightning

White lightning

Faster than number three breaking every record

Faster than a tree dies in the desert

Faster than that bug splattered on my windshield

Faster than you die when you take too many pills

Ooh, I saw white lightning

Ooh, I saw white lightning

White lightning, Alabama moonshine intoxicating this ol' heart yeah

White lightning, holding the middle umbrella when the storm started to hit

Ahhh, that's what love's supposed to feel like, yes

Whoa, that's what loves supposed to feel like, Whoa yeah

(G C G C)

Ohh, that's what loves supposed to feel like, yeah

Ah yeah, that what love feels like

Ooo, I saw white lightning

Ooo, I saw white lightning
