

The Cadillac Three - White Lightning

```
tom:
She stole my heart
Faster than a heat seeking missile on a mission
Faster than a bass to the hook when daddy fishing
Faster than a walnut rolls off a hen house
Faster than a whiskey shot goes down down south
Ooo, I saw white lightning
Ooo, I saw white lightning
Faster than McQueen running them red lights
Faster than the duke boys jumping that hillside
Faster than Elvis could shake or rattle roll
Faster than a skirt flying up on Monroe, I said
Ooo, I saw white lightning, I said
Ooo, I saw white lightning
White lightning, I saw white lightning
White lightning
```

Acordes

```
Faster than number three breaking every record
Faster than a tree dies in the desert
Faster than that bug splattered on my windshield
Faster than you die when you take too many pills
Ooh, I saw white lightning
Ooh, I saw white lightning
White lightning, Alabama moonshine intoxicating this ol' heart
White lightning, holding the middle umbrella when the storm
started to hit
Ahhh, that's what love's supposed to feel like, yes
Whoa, that's what loves supposed to feel like, Whoa yeah
( G C G C )
Ohh, that's what loves supposed to feel like, yeah
Ah yeah, that what love feels like
Ooo, I saw white lightning
Ooo, I saw white lightning
```
