

# The Calling - Adrienne

Tom: G

Afinação: Eb Ab Db Gb Bb

Eb (intro 2x) Em7 D Bm7 C

I've been thinking about you, my love  
 And all the crazy things that you put me through  
 Now I'm coming around, Throwing it back to you  
 Were you thinking of me when you kissed him  
 Could you taste me when you licked his skin  
 All the while I showered you with trust and promises  
 What I'm needing now is some sweet revenge  
 To get back all that I lost then  
 I gave you all I had to give, but I could never reach you

Adrienne, I thought I knew you  
 Once again, you used me, used me  
 Adrienne, I should have left you  
 Long before you used me, Used me up

Spent my money, drove my car  
 I treated you like a shining star  
 But in my sky all burnt out you are

And I'll have the last laugh,  
 when I see you walking with some other guy  
 'Cause I know you're gone end up all alone  
 So take these words, some good advice  
 All you've done gonna come back twice  
 You never cared how much it hurt, I really need to tell you

(Em7 D Bm7 Cadd9)  
 Adrienne, I thought I knew you  
 Once again, you used me, used me  
 Adrienne, I should have left you  
 Long before you used me, Used me up
