

The Calling - Believing

Tom: Ab

Afinação: 1/2 tom abaixo (Eb Ab Db Gb Bb eb)

verse 1

I'm one man to make a difference
 I'm one soul all persistence
 In a dark world, just trying to make things right
 Choices we weren't given
 Any heroes, and our decision
 Is to stand up and fight for ourselves

[CHORUS:]

To be free
 Is all we want to be
 When everything seems so far out of reach
 But I know,
 no matter where we go
 I'll never stop believing in me

Verse 2

Woke up bent and broken
 Just to find that fate has spoken
 All I call out I call out for change
 For every moment that remains
 For every sinking stone to find its place

Long before they're washed away
 [CHORUS:]
 To be free
 Is all we want to be
 When everything seems so far out of reach
 But I know,
 no matter where we go
 I'll never stop believing in me
 We've been waiting for too long
 We've been giving in to wrong
 And we've been broken to pieces one by one
 We're gonna know
 We're gonna know
 When the moment comes
 [CHORUS:]
 To be free
 Is all we want to be
 When everything seems so far out of reach
 But I know,
 no matter where we go
 I'll never stop believing in me (2x)
