

The Calling - Could It Be Any Harder

```
Intro: (Riff 1)|F - G - C - Am - |-2x
You left me with goodbye and open arms
A cut so deep I don't deserve
You were always invincible in my eyes
               G
The only thing against us now is time
Refrão:
Could it be any harder to say goodbye and without you,
        F G C
Could it be any harder to watch you go, to face what's true

F

G

Am (Riff 2)
I lie down and blind myself with laughter
A quick fix of hope is what I'm needing
And how I wish that I could turn back the hours
But I know I just don't have the power
Refrão:
                G C
                                                              Riff 1
Could it be any harder to say goodbye and without you,
F G C Am

Could it be any harder to watch you go, to face what's true

F G (Riff 2)
If I only had one more day
                                                              Riff 2
I'd jump at the chance,
We'd drink and we'd dance
                                                              Solo
And I'd listen close to your every word,
          G
As if it's your last, I know it's your last,
Cause today, oh, you're gone
Solo: |F - G - C - Am - |-2x
```

```
Could it be any harder. . . F G C Am
Could it be any harder. . .
Could it be any harder to live my life without you,
Like sand on my feet,
The smell of sweet perfume
You stick to me forever baby
And I wish you didn't go
I wish you didn't go, I wish you didn't go away
To touch you again,
With life in your hands,
         Αm
It couldn't be any harder.. harder. harder
