(**Ab Fm Db Eb** )  
Once upon a time  
Somewhere far away from here  
I was drowning in a deep sleep  
Got no ground beneath my feet  
And there's so many faces  
I'm New York and I'm Japan  
There's so many things that I want to know  
But I'll never understand?

CHORUS:  
Now I'm dreaming in red  
Just drifting away

I'm dreaming in red  
Come and take me away

parte no I just got to get it right  
Before I make it wrong  
faz outra Cause I'm breaking out and rising up  
While the world is falling down?

CHORUS

**Ab Fm Db Eb**  
I see the sun behind the night, sky

One last moment before I say goodbye?

(**Ab Fm Db Eb** )  
Once upon a time
