

# The Calling - One by One

Tom: G  
Intro: Em D7 C (4x) dedilhado  
Em D7 C (4x)

Em D7 C  
He stands alone outside the blooming yards  
Em D7 C  
All is calm there on the street  
Em D7 C  
The shadows pass him hung right over  
Em D7 C (deixa tocar)  
The pain on his face he knew he'd keep...  
Em D7 C  
His hair is long, and it's twisted, it's twisted  
Em D7 C  
Around the smile spread cheek to cheek  
Em D7 C  
Another child, another soul, grabs a hold  
Em D7 C  
To the metal that will end his misery...

CHORUS:  
G  
One by one  
D Em  
We stand beneath the sun  
C D  
With arms high open wide  
G  
Two by two  
D  
He's getting you  
Em C D  
To watch him as he leaves this life he knew  
Em D7 C  
How much anger is set aside  
Em D7 C  
As each one of us cries  
Em D7 C  
Red light they come and they take him away

Em D7 C  
In the thoughts, he'll be better, some day...  
Em D7  
Tied tight, can't see out your eyes  
C C  
That he's sure to shine, sure to shine  
Em D7 C  
In this deep dark, played out, reality show  
Em D7 C  
So, who's the man, with the plan,  
eating up all that he can?  
Em D7 C  
Don't you see, don't you see...

CHORUS

C D7  
Do you ever think that things are meant to be?  
C D7  
I know we all have our reasons why  
C D7  
And now the power of one human being  
C D7  
Has gone and changed so many lives...

CHORUS

G  
One by one  
D Em C D  
We start to come undone...  
G  
Two by two  
D Em C D  
He's getting through to you...  
G D Em C D G  
One by one we stand, we stand,
