tom:

[Intro] E Gb Db Abm

[Primeira Parte]

Woke up, sky is gold, fire in my lungs (ah-ah, ah-ah)
 I know who I am, but what have we become? (ah-ah, ah-ah)
 The crowd is screaming out for a little more (ah-ah, ah-ah)
 But I've had enough
 I've had enough, I've had enough

[Refrão]

Come on
 Stand up now, stand up now
 And break these walls down
 Stand up now, stand up now
 And let your love out
 Come on, stand up now

[Segunda Parte]

Off to sleep alone under a setting sun
 As one million march to win
 What they've already won
 So come on, come on

[Refrão]

Stand up now, stand up now
 And break these walls down
 Stand up now, stand up now
 And let your love out

E Gb
 Come on, stand up now
