The Calling - Surrender

Tom: E В Α Intro: Cause i have already come undone... В ΔF F. Α R So, here we are, all alone We'll go surrender to the night E В A E A В As the wine makes you mine for the night We won't look back at our lives F B Dbm Abm Soft is the way that you feel And when you sleep, i'll be there F. В R And hard is the way that we breathe To kiss your lips, to breathe your air E B Dbm Abm Α In, out, we're moving Right or wrong, it must go on E B Gb Δ After this night, we'll leave it all behind Around with the dirty on the floor В E. Α I know what i lack is devotion F В Now she's calling В F And i can't fight this off anymore... В E And it hurts me to go Refrão: F В В Away from my favorite addiction Α A E We'll go surrender to the night F. В There's no way that she'll ever know... Α E Α В We won't look back at our lives Dbm Abm We'll go surrendering to our lives When you sleep, i'll be there And when you sleep, i'll be there R To kiss your lips, to breathe your air To kiss your lips, to breathe your air Right or wrong, it can't go on After this night, we'll leave it all behind But i'm still feeling Dbm Abm Right or wrong, it must go on Drawn to you B F After this night, we'll leave it all behind In my dreams So it seems The man in me always В Α Two hearts beat as one Gets his way Never pays F В Α As i open my eyes For what he's done Е В А I need you now love, love, love Well do you want me to keep going I crave you now love, love, love
