I can't care 'bout anything but you

Lately I have desperately wondered
Spent my nights awake and I wonder
What I could have done in another way
To make you stay

Reason will not teach a solution
I will end up lost in confusion
I don't care if you really care
As long as you don't go

So I cry I pray and I beg
Love me love me say that you love me
Fool me fool me go on and fool me
Love me love me pretend that you love me
Lead me lead me just say that you need me

So I cry and I beg for you to
Love me love me say that you love me
Lead me lead me say that you need me
I can't care 'bout anything but you
