Am Dm E Am
I can't care 'bout anything but you

Lately I have desperately wondered Spent my nights awake and I wonder What I could have done in another way To make you stay

Reason will not teach a solution I will end up lost in confusion I don't care if you really care As long as you don't go

So I cry I pray and I beg Love me love me say that you love me Fool me fool me go on and fool me Love me love me pretend that you love me Lead me lead me just say that you need me

So I cry and I beg for you to Love me love me say that you love me Lead me lead me say that you need me I can't care 'bout anything but you
